# TO OUR FRIENDS OF THE TRADE:-

Our 1932 crop is now ready for you, and we are pleased to note that they conform in every respect with our high quality standard.

Our bulbs are grown for reproduction purposes only and we cut no flowers except for the removal of seed pods.

We plant only the cleanest and truest of stock, and exercise every care to keep the bulbs so. Grading is strictly in accordance with A. G. S. standards.

Yours for SERVICE

G. A. Shaw & Sons.
